  - **K5 – 6<sup>th</sup> grade students:** Please remember to wear tennis shoes on Thursdays for P.E.
- 

## Headmistress Corner

The first week of school was fantastic! Our kids were ready to come back, and they have been right on task. I am so pleased with the energy and focus we've had in this first week.

I have been impressed with our K3/K4 students and parents; all these new experiences can be intimidating, but everyone is adjusting well. I apologize for the slow drop-off/pick-up lines, but we will get that process worked out more smoothly as the children acclimate. The sixth graders will begin their car pool duties Monday; that helps us unload quicker. We want everyone to be on time for work! You can help us as well by unbuckling the children when you enter the gates and having the children on the right side of the car if possible. Also, please do not park on the street where the line forms.

Our pumpkins are growing! The garden is being prepared for our fall garden, and if any of you want to be involved with the gardening gurus, let us know. In my next Corner, I will tell you about our healthy initiative for the year.

Thank you for being a part of our family. And thanks to all of you who have already sent your family photo. Those will start going up next Thursday.

*Carolyn Stone, Headmistress*
